# **ADMISSIONS AND CONTINUED OCCUPANCY POLICY FLINT AREA CONSOLIDATED HOUSING AUTHORITY**

---

This Admissions and Continued Occupancy Policy defines the Flint Area Consolidated Housing Authority's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

## **1.0 FAIR HOUSING**

It is the policy of the Flint Area Consolidated Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Flint Area Consolidated Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Flint Area Consolidated Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Flint Area Consolidated Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Flint Area Consolidated Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Flint Area Consolidated Housing Authority will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The Flint Area Consolidated Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

## **2.0 REASONABLE ACCOMMODATION**

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Flint Area Consolidated Housing Authority housing programs

and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Flint Area Consolidated Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Flint Area Consolidated Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

## **2.1 COMMUNICATION**

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

## **2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION**

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition.)

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Flint Area Consolidated Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Flint Area Consolidated Housing

Authority will obtain documentation that the requested accommodation is needed due to the disability. The Flint Area Consolidated Housing Authority will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Flint Area Consolidated Housing Authority's business is housing. If the request would alter the fundamental business that the Flint Area Consolidated Housing Authority conducts, that would not be reasonable. For instance, the Flint Area Consolidated Housing Authority would deny a request to have the Flint Area Consolidated Housing Authority do grocery shopping for a person with disabilities.
  2. Would the requested accommodation create an undue hardship? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Flint Area Consolidated Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is he or she needs; however, the Flint Area Consolidated Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Flint Area Consolidated Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Flint Area Consolidated Housing Authority's programs and services, the Flint Area Consolidated Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Flint Area Consolidated Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Flint Area Consolidated Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Flint Area Consolidated Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e., allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

### **3.0 SERVICES FOR LIMITED ENGLISH PROFICIENCY APPLICANTS AND RESIDENTS**

The Flint Area Consolidated Housing Authority shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The Flint Area Consolidated Housing Authority shall balance these factors in deciding what to do:

1. The number or proportion of LEP persons served or encountered in the eligible service area;
2. The Frequency with which LEP individuals come in contact with the program;
3. The nature and importance of the program, activity, or service provided by the program; and
4. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the Flint Area Consolidated Housing Authority may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above reference Notice shall be utilized.

In addition, the Flint Area Consolidated Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English. Finally, the Flint Area Consolidated Housing Authority shall utilize multilingual "I speak" cards to the maximum degree possible.

### **4.0 FAMILY OUTREACH**

The Flint Area Consolidated Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Flint Area Consolidated Housing Authority will distribute fact sheets to the broadcasting media and initiate

personal contacts with members of the news media and community service personnel. The Flint Area Consolidated Housing Authority will also try to utilize public service announcements.

The Flint Area Consolidated Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

## **5.0 RIGHT TO PRIVACY**

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

## **6.0 REQUIRED POSTINGS**

In each of its offices, the Flint Area Consolidated Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Excess Utility Charges

- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease
- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster
- L. Any current Flint Area Consolidated Housing Authority Notices

## **7.0 TAKING APPLICATIONS**

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

**Flint Area Consolidated Housing Authority  
542 Richardson Street  
Montezuma, Georgia 31063**

Applications are taken to compile a waiting list. Due to the demand for housing in the Flint Area Consolidated Housing Authority jurisdiction, the Flint Area Consolidated Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Flint Area Consolidated Housing Authority will verify the information.

Applications may be made in person on Monday through Thursday from 8:00AM to 5:00PM. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Flint Area Consolidated Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Flint Area Consolidated Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 478-472-4614.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information (i.e. family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family's placement on the waiting list.

Upon receipt of the family's pre-application, the Flint Area Consolidated Housing Authority will make a preliminary determination of eligibility. The Flint Area Consolidated Housing Authority will notify an apparently eligible family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Flint Area Consolidated Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Flint Area Consolidated Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be made in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Flint Area Consolidated Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family's final eligibility for admission into the Public Housing Program.

## **8.0 ELIGIBILITY FOR ADMISSION**

### **8.1 INTRODUCTION**

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Flint Area Consolidated Housing Authority screening criteria in order to be admitted to public housing.

### **8.2 ELIGIBILITY CRITERIA**

- A. Family Status – All families must have a Head of Household or Co-Heads of Household.

1. A **family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity that live together in a stable family relationship.
  - a. Children temporarily absent from the home due to placement in foster care are considered family members.
  - b. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.
2. An **elderly family**, which is:
  - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
  - b. Two or more persons who are at least 62 years of age living together; or
  - c. One or more persons who are at least 62 years of age living with one or more live-in aides.
3. A **near-elderly family**, which is:
  - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
  - b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or
  - c. One or more persons, who are at least 50 years of age but below the age of 62, living with one or more live-in aides.
4. A **disabled family**, which is:
  - a. A family whose head, spouse, or sole member is a person with disabilities;
  - b. Two or more persons with disabilities living together; or
  - c. One or more persons with disabilities living with one or more live-in aides.

- d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.
5. A **displaced family**, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
6. A **remaining member of a tenant family**.
7. A **single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income Eligibility

1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area. If the property has Low Income Housing Tax Credits on it, a lower income cap will apply.
2. Income limits apply only at admission and are not applicable for continued occupancy.
3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Flint Area Consolidated Housing Authority.
4. If the Flint Area Consolidated Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.
5. Income limit restrictions do not apply to families transferring within our Public Housing Program.
6. The Flint Area Consolidated Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least

equal the cost of operating the public housing unit.

C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.
2. Family eligibility for assistance.
  - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
  - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.6 for calculating rents under the non-citizen rule).
  - c. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one. Adults must certify for minors.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
  - a. A provision authorizing HUD or the Flint Area Consolidated Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials

necessary to complete or verify the application for participation or for eligibility for continued occupancy;

- b. A provision authorizing HUD or the Flint Area Consolidated Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
- c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
- d. A statement allowing the Flint Area Consolidated Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies, and
- e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

F. Special College Student Eligibility Rules

In order to be eligible for public housing, college students living outside their parents or guardians homes must have established a separate household for at least one year prior to applying to the public housing program. This will be verified by presenting to the Flint Area Consolidated Housing Authority evidence of the establishment of the separate household.

The college student must not be claimed as a dependent by parents or guardians on their IRS returns. This will be verified by examining the student's IRS return for the previous year. The Flint Area Consolidated Housing Authority will examine the box that asks if someone else claimed them on their tax return.

If the student is receiving an athletic scholarship that includes over \$5,000 a year for housing costs, the student shall not be eligible for public housing.

### **8.3 SUITABILITY**

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Flint Area Consolidated Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a

detrimental effect on the development environment, other tenants, Flint Area Consolidated Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

- B. The Flint Area Consolidated Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
1. History of meeting financial obligations, especially rent and any utility payments;
  2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
  3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
  4. History of disturbing neighbors or destruction of property;
  5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
  6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The Flint Area Consolidated Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Flint Area Consolidated Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse, co-head, and any other adult family members;
  2. A rental history check of all adult family members;
  3. A criminal background check on all adult household members, including

live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Flint Area Consolidated Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Flint Area Consolidated Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Flint Area Consolidated Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Flint Area Consolidated Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Flint Area Consolidated Housing Authority will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

#### **8.4 GROUND FOR DENIAL**

The Flint Area Consolidated Housing Authority is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;
- D. Have a history of not meeting financial obligations, especially rent;
- E. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants;
- F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

For the purpose of this Policy, if any member of the applicant family has been arrested at least **one** time within the prior **five (5)** year period for this purpose, they will be determined to have engaged in criminal activity, drug-related criminal activity or violent criminal activity.

An applicant who is or has been a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission. The Authority will require verification in all cases where an applicant claims protection against an action proposed to be taken by the Authority involving such individual. Types of acceptable verifications are outlined in Section 20.2B of the ACOP, and must be submitted within 10 business days after receipt of the Housing Authority's request for verification.

- G. Have a history of disturbing neighbors or destruction of property;
- H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs;
- I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;

- J. Were evicted from federally assisted housing within the past five (5) years because of drug-related criminal activity. The five year limit is based on the date of such eviction, not the date the crime was committed.

However, the Flint Area Consolidated Housing Authority may admit the household if the PHA determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Flint Area Consolidated Housing Authority; or
  2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- K. Are currently engaging in the illegal use of a controlled substance. For purposes of this section, a member is “currently engaged in” the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current);
- L. The Flint Area Consolidated Housing Authority determines that it has reasonable cause to believe that a household member’s illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
- M. The Flint Area Consolidated Housing Authority determines that it has reasonable cause to believe that a household member’s abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

With respect to criminal activity described in paragraphs J, K, L, and M of this Section, Flint Area Consolidated Housing Authority may require an applicant to exclude a household member in order to be admitted to public housing where that household member has participated in or been culpable for actions described in paragraphs J, K, L, and M that warrants denial.

- N. Have engaged in or threatened abusive or violent behavior towards any Flint Area Consolidated Housing Authority staff member or resident;
- O. Fugitive felons, parole violators, and persons fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;

- P. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development, in a Section 8 assisted property, or on the premises of other federally assisted housing;
- Q. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.

In determining whether to deny admission for illegal drug use by a household member who is no longer engaging in such abuse, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Flint Area Consolidated Housing Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program; or
3. Has otherwise been successfully rehabilitated.

For this purpose, Flint Area Consolidated Housing Authority will require the applicant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

Before the Flint Area Consolidated Housing Authority denies admission to the Flint Area Consolidated Housing Authority's public housing program on the basis of a criminal record, the Flint Area Consolidated Housing Authority must notify the household of the proposed action and must provide the person with the criminal record (i.e., a child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have **fourteen (14)** calendar days to dispute the accuracy and relevance of the record in writing. If the Flint Area Consolidated Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

## 8.5 **INFORMAL REVIEW**

- A. If the Flint Area Consolidated Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the Flint Area Consolidated Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request in writing an informal review of the decision within ten (10) business days of the denial. The Flint Area Consolidated Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Flint Area Consolidated Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Flint Area Consolidated Housing Authority's decision. The Flint Area Consolidated Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The applicant may request that the Flint Area Consolidated Housing Authority provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicants, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

## **9.0 MANAGING THE WAITING LIST**

### **9.1 *OPENING AND CLOSING THE WAITING LIST***

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

### **9.2 *ORGANIZATION OF THE WAITING LIST***

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contact between the Flint Area Consolidated Housing Authority and the applicant will be documented in the applicant file.

### **9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST**

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Flint Area Consolidated Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

### **9.4 PURGING THE WAITING LIST**

The Flint Area Consolidated Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Flint Area Consolidated Housing Authority has current information, i.e., applicant's address, family composition, income category, and preferences.

### **9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST**

The Flint Area Consolidated Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program;
- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list.

#### **9.6 MISSED APPOINTMENTS**

All applicants who fail to keep a scheduled appointment with the Flint Area Consolidated Housing Authority will be sent a notice of termination of the process for eligibility.

The Flint Area Consolidated Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Flint Area Consolidated Housing Authority will work closely with the family to find a more suitable time.

#### **9.7 NOTIFICATION OF NEGATIVE ACTIONS**

Any applicant whose name is being removed from the waiting list will be notified by the Flint Area Consolidated Housing Authority, in writing, that they have ten (10) business days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Flint Area Consolidated Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Flint Area Consolidated Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

## **10.0 TENANT SELECTION AND ASSIGNMENT PLAN**

### **10.1 PREFERENCES**

The Flint Area Consolidated Housing Authority will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities:

- A. Displaced person(s): Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal Disaster Relief Laws.**

- B. Applicants with an adult family member who either works or has been hired to work in the county or municipality within the Flint Area Consolidated Housing Authority jurisdiction.** The residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.
- C. Applicants with an adult family member enrolled in a employment training program, currently working twenty (20) hours a week, or attending school on a full-time basis. This preference is also extended equally to all elderly families and all families whose head or spouse is receiving income based on their inability to work.**
- D. Applicants with an adult family member who lives in the county or municipality within the Flint Area Consolidated Housing Authority jurisdiction.**
- E. All other applicants.**

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, preference B families will be offered housing before any families in preference C, preference C families will be offered housing before any families in preference D and preference D families will be offered housing before any families in preference E.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

**Buildings Designed for the Elderly and Disabled (Mixed Population Developments):** Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

**Accessible Units:** Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no families residing in that development needing the accessible unit, it shall then be offered to families residing in other developments who may benefit from the accessible unit. If there are no families residing in the other developments needing the accessible unit, it

shall then be offered to applicants on the waiting list who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, will be requested to sign a lease rider stating they will accept a transfer (at the Housing Authority's expense) if, at a future time, a family requiring an accessible feature applies or a family requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30-day notice.

**10.2 ASSIGNMENT OF BEDROOM SIZES**

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Flint Area Consolidated Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school, or children who are temporarily in foster care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex will share a bedroom.
- B. Children of the opposite sex, both under the age of three will share a bedroom.
- C. Adults and children over two years of age will not be required to share a bedroom.
- D. Foster adults and/or foster children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines. A family may request a smaller unit size than the guidelines allow. The Flint Area Consolidated Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for **three (3) years** or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines. A family may request a larger unit size than the guidelines allow. The Flint Area Consolidated Housing Authority will allow the larger size unit if the family provides a verified medical or disability related need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30 calendar day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
- E. In no event will a single person who is not an elderly person or a displaced person, or a person with disabilities be provided with a unit that is larger than one-bedroom.

### **10.3 SELECTION FROM THE WAITING LIST**

The Flint Area Consolidated Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met

we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

#### **10.4 DECONCENTRATION POLICY**

It is the Flint Area Consolidated Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Flint Area Consolidated Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

#### **10.5 DECONCENTRATION INCENTIVES**

The Flint Area Consolidated Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

#### **10.6 OFFER OF A UNIT**

When the Flint Area Consolidated Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Flint Area Consolidated Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the family was contacted by telephone or from the date the letter was mailed to contact the Flint Area Consolidated Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. The family will have two (2) business days to view and accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Flint Area Consolidated Housing Authority will send the family a letter documenting the offer and the rejection.

### **10.7 REJECTION OF UNIT**

If in making the offer to the family the Flint Area Consolidated Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Flint Area Consolidated Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes, among other things, reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

### **10.8 ACCEPTANCE OF UNIT**

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Flint Area Consolidated Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. At the sole discretion of the Flint Area Consolidated Housing Authority, the following options may be utilized:

- Option 1: the security deposit shall be paid in full prior to admission.
- Option 2: In exceptional situations, the Housing Authority reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with their second rent payment, and one third with their third rent payment.
- Option 3: The security deposit will be equal to one hundred fifty dollars down payment and five (5) monthly installments as follows:

<u>Bedroom Size</u>	<u>Deposit Maximum</u>	<u>Monthly Payment</u>
<b>0</b>	<b>\$350.00</b>	<b>\$40.00</b>
<b>1</b>	<b>\$350.00</b>	<b>\$40.00</b>
<b>2</b>	<b>\$430.00</b>	<b>\$56.00</b>
<b>3</b>	<b>\$500.00</b>	<b>\$70.00</b>
<b>4</b>	<b>\$600.00</b>	<b>\$90.00</b>
<b>5</b>	<b>\$700.00</b>	<b>\$110.00</b>

Payment agreements shall be executed between the Housing Authority and the tenant for options 2 and 3.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

## **11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME**

To determine annual income, the Flint Area Consolidated Housing Authority adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Flint Area Consolidated Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

### **11.1 INCOME**

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Flint Area Consolidated Housing Authority believes that past income is the best available indicator of expected future income, the Flint Area Consolidated Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

Annual income includes, but is not limited to, the amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is

included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.

- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1000 that were disposed of for less than fair market value within the past two years will be counted as income.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance
  - 1. Welfare assistance payments
    - a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
      - i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
      - ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.

- b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
  - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
  - ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income

- a. A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the Flint Area Consolidated Housing Authority by the welfare agency) plus the total amount of other annual income.
- b. At the request of the Flint Area Consolidated Housing Authority, the welfare agency will inform the Flint Area Consolidated Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Flint Area Consolidated Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Flint Area Consolidated Housing Authority will use this information to determine the amount of imputed welfare income for a family.
- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition during the term of the welfare benefits reduction (as specified in information provided to the Flint Area Consolidated Housing Authority by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount

of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

- e. The Flint Area Consolidated Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the Flint Area Consolidated Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Flint Area Consolidated Housing Authority denies the family's request to modify such amount, then the Flint Area Consolidated Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Flint Area Consolidated Housing Authority's determination of the amount of imputed welfare income. The Flint Area Consolidated Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

3. Relations with welfare agencies

- a. The Flint Area Consolidated Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Flint Area Consolidated Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- b. The Flint Area Consolidated Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency and specified in the notice by the welfare agency to the housing authority. However, the Flint Area Consolidated Housing Authority is not responsible for determining whether a reduction of

welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

- c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Flint Area Consolidated Housing Authority shall rely on the welfare agency notice to the Flint Area Consolidated Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.
- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

## ***11.2 ANNUAL INCOME***

Annual income does not include the following amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution unless it is an athletic scholarship that includes assistance available for housing costs and that portion is included in income;

- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
1. Amounts received under training programs funded by HUD;
  2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
  3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, childcare, etc.) and that are made solely to allow participation in a specific program;
  4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the Flint Area Consolidated Housing Authority governing board. No resident may receive more than one such stipend during the same period of time;
  5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
  6. Temporary, nonrecurring or sporadic income (including gifts);
  7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
  8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);

9. Adoption assistance payments in excess of \$480 per adopted child;
10. The incremental earnings due to employment during a cumulative 12-month period following date of the initial hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:
  - a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
  - b. Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.
  - c. Families who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program.

During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

#### ***11.6 COOPERATING WITH LAW ENFORCEMENT AGENCIES***

The Flint Area Consolidated Housing Authority will comply, on a case-by-case basis, with information requests from Federal, State or local law enforcement officers regarding possible fugitive felons and/or a parole or probation violators. The Flint Area Consolidated Housing Authority will supply upon legitimate request (1) the current address, (2) Social Security number and (3) photograph (if available) of any recipient of assistance.

The Federal, State or local enforcement officer must submit a request that is (1) written, (2) on law enforcement agency letterhead, and (3) is signed by the requesting officer and his or her immediate supervisor. The request for information must provide the name of

the fugitive felon and/or parole or probation violator being sought, and may include other personal information used for identification. The request should also comply with the following requirements:

## **12.0 VERIFICATION**

The Flint Area Consolidated Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

### **12.1 ACCEPTABLE METHODS OF VERIFICATION**

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

## 1. **Up-front Income Verifications (UIV)**

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. **Enterprise Income Verification (EIV)** – HUD’s online wage and benefit system that allows PHAs to verify tenant-reported income from an independent source in computerized form
- b. **State Wage Information Collection Agencies (SWICAs)**
- c. **State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. **Credit Bureau Information (CBA) credit reports**
- e. **Internal Revenue Service (IRS) Letter 1722**
- f. **Private sector databases (e.g. The Work Number)**

The Flint Area Consolidated Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or reexaminations of household income as appropriate.

It is important to note that UIV data will only be used to verify an resident’s eligibility for participation in a rental assistance program and to determine the level of assistance the resident is entitled to receive and only by properly trained persons<sup>1</sup> whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a resident until the Flint Area Consolidated Housing Authority has independently verified the UIV information and the resident has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the Flint Area Consolidated

Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the Flint Area Consolidated Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

## **2. Third –Party Written Verifications**

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i.e., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the resident disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained from HUD’s on-line system (Tenant Assessment Subsystem –TASS). If TASS is not available or not current, then verification shall be obtained directly from the SSA. If either of these forms is not obtainable, then the file shall be documented as to why third party verification was not used.

The Flint Area Consolidated Housing Authority will allow two (2) weeks for the return of third party written verifications prior to continuing on to the next type of verification.

## **3. Third-Party Oral Verifications**

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The Flint Area Consolidated Housing Authority will allow three (3) business days for the return of third party oral verifications prior to continuing on to the next type of verification.

## **4. Review of Documents**

When UIV, written and oral third party verifications are not available within the two (2) week and three (3) business days period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

**5. Self-Certification and Self-Declaration**

When UIV, written and oral third party verifications are not available within the two (2) week and three (3) business days period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the Flint Area Consolidated Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident’s file.

**12.2 TYPES OF VERIFICATION**

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Flint Area Consolidated Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

#### **12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS**

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Flint Area Consolidated Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be

required to sign a statement to this effect. The Flint Area Consolidated Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) calendar days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) calendar days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

### ***12.5 TIMING OF VERIFICATION***

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

### ***12.6 FREQUENCY OF OBTAINING VERIFICATION***

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible non-citizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

## **12.7 SPECIAL VERIFICATION FOR ADULT STUDENTS**

In addition to other verification procedures, student head of households must provide a written signed certification that the student does or does not receive any financial support from his or her parents or guardians and whether or not the student is receiving an athletic scholarship. If support is received, the certification must state the amount of the anticipated support. The Flint Area Consolidated Housing Authority shall verify using normal third party verification procedures that amount by communicating directly with the supporting person(s). If an athletic scholarship is involved, the Flint Area Consolidated Housing Authority shall determine if any of the scholarship is available for housing costs.

## **13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT**

### **13.1 FAMILY CHOICE**

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
  - 1. The family's income has decreased.
  - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
  - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Flint Area Consolidated will provide them with the following information whenever they have to make rent decisions:
  - 1. The Flint Area Consolidated Housing Authority's policies on switching types of rent in case of a financial hardship; and

- 2 The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Flint Area Consolidated Housing Authority will provide the amount of income-based rent for the subsequent year only the year the Flint Area Consolidated Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

### **13.2 THE INCOME METHOD**

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of **\$50.00**.

### **13.3 MINIMUM RENT**

The Flint Area Consolidated Housing Authority has set the minimum rent at **\$50.00**. If the family requests a hardship exemption, however, the Flint Area Consolidated Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
  1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;

2. When the family would be evicted because it is unable to pay the minimum rent;
  3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
  4. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

#### ***13.4 THE FLAT RENT***

The Flint Area Consolidated Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The Flint Area Consolidated Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The Flint Area Consolidated Housing Authority will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent because the Flint Area Consolidated Housing Authority has already factored who pays for the utilities into the flat rent calculation..

### **13.5 CEILING RENT**

The Flint Area Consolidated Housing Authority has set a ceiling rent for each public housing unit prior to October 1, 1999. The amount of the ceiling rent will be reevaluated annually and the adjustments applied. Ceiling rents shall be equal to the amount set for Flat Rents. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The Flint Area Consolidated Housing Authority will post the ceiling rents at each of the developments and at the central office. Ceiling rents are incorporated in this policy upon approval by the Board of Commissioners.

### **13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE**

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95<sup>th</sup> percentile of gross rents (tenant rent plus utility allowance) for the Flint Area Consolidated Housing Authority. The 95<sup>th</sup> percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.

- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

### **13.7 UTILITY ALLOWANCE**

The Flint Area Consolidated Housing Authority shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Flint Area Consolidated Housing Authority will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income-based rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Flint Area Consolidated Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant. The Flint Area Consolidated Housing Authority reserves the right to pay the utility allowance directly to the utility company. The family will be notified of the amount paid to the utility supplier.

For Flint Area Consolidated Housing Authority paid utilities, the Flint Area Consolidated Housing Authority will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the Flint Area Consolidated Housing Authority will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the Flint Area Consolidated Housing Authority for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of Flint Area Consolidated Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the Flint Area Consolidated Housing Authority on reasonable grounds. Requests shall be granted

to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

### **13.8 PAYING RENT**

Rent and other charges are due and payable on the first day of the month. All rents should be received by first class mail or in person at 542 Richardson Street, Montezuma, Georgia. Reasonable accommodations for this requirement will be made for persons with disabilities. Money orders are preferred as a rent payment. Personal checks will not be accepted. Tenants that have paid by check and that are in good standing with the Housing Authority may continue to pay by personal check. Only personal checks drawn on the resident's checking account will be accepted.

If the rent is not paid by the tenth of the month a \$30 late charge will be assessed to the tenant. If rent is paid by personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will include the late charge plus an additional charge for processing costs equal to the service charge that is allowed by Georgia Law.

In the event a check is returned for insufficient funds, no future checks will be accepted as a rent payment or payment for other charges from the offending resident. Money orders will be the only acceptable form of payment accepted for rent or other charges.

If rent is not paid by the 10<sup>th</sup> of each month the resident will receive a letter stating the amount of rent owed and any other applicable charges. Accounts must be paid in full by the 15<sup>th</sup> of each month. When rent, late fees and all other charges are not paid by the 15<sup>th</sup> of the month, the Housing Authority will take the appropriate action in the Magistrate Court to evict the resident from the unit.

### **14.3 NOTIFICATION OF THE REQUIREMENT**

The Flint Area Consolidated Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The Flint Area Consolidated Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Flint Area Consolidated Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after October 1, 2003. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

### **14.4 VOLUNTEER OPPORTUNITIES**

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Flint Area Consolidated Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Flint Area Consolidated Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

#### **14.5 THE PROCESS**

Upon admission or at the first annual reexamination on or after October 1, 2003, and each annual reexamination thereafter, the Flint Area Consolidated Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. At least thirty (30) calendar days before the family's next lease anniversary date, the volunteer coordinator will advise the Flint Area Consolidated Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

#### **14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT**

The Flint Area Consolidated Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and

- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

#### **14.7 OPPORTUNITY FOR CURE**

The Flint Area Consolidated Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Flint Area Consolidated Housing Authority shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

#### **14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES**

In implementing the service requirement, the Flint Area Consolidated Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

### **15.0 RECERTIFICATIONS**

At least annually, the Flint Area Consolidated Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

#### **15.1 GENERAL**

The Flint Area Consolidated Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the

option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Flint Area Consolidated Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

### **15.2 MISSED APPOINTMENTS**

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Flint Area Consolidated Housing Authority taking eviction actions against the family.

### **15.3 FLAT RENTS**

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent.
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:

1. The family's income has decreased.
2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

Once a family returns to the income based method during their “lease year” they cannot go back to a flat rent until their next regular annual reexamination.

- F. The dates upon which the Flint Area Consolidated Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Flint Area Consolidated Housing Authority will send a reexamination letter to the family offering the choice between a flat rent or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Flint Area Consolidated Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Flint Area Consolidated Housing Authority representative, they may make the selection on the form and return the form to the Flint Area Consolidated Housing Authority. In such case, the Flint Area Consolidated Housing Authority will cancel the appointment and solely verify the family size and whether it is in an appropriate size unit.

#### **15.4 THE INCOME METHOD**

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Flint Area Consolidated Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

#### **15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS**

The new rent will generally be effective upon the anniversary date with thirty (30) calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

#### **15.6 INTERIM REEXAMINATIONS**

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report any increase in income or decrease in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Flint Area Consolidated Housing Authority between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Flint Area Consolidated Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Flint Area Consolidated Housing Authority will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Flint Area Consolidated Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

### ***15.7 SPECIAL REEXAMINATIONS***

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Flint Area Consolidated Housing Authority may schedule special reexaminations every sixty (60) calendar days until the income stabilizes and an annual income can be determined.

### **15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS**

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

### **15.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT**

If the Flint Area Consolidated Housing Authority makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of twenty four (24) months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

## **16.0 UNIT TRANSFERS**

### **16.1 OBJECTIVES OF THE TRANSFER POLICY**

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.

- E. To provide an incentive for families to assist in meeting the Flint Area Consolidated Housing Authority's deconcentration goal, if appropriate.
- F. To eliminate vacancy loss and other expenses due to unnecessary transfers.

## **16.2 CATEGORIES OF TRANSFERS**

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed. When an accessible unit becomes available, it shall first be offered to families needing it who reside on the site that has the vacancy, then to other public housing residents needing the special accessibility features, and finally to appropriate people on the waiting list.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Flint Area Consolidated Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Flint Area Consolidated Housing Authority when a transfer is the only or best way of solving a serious problem.

## **16.3 DOCUMENTATION**

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

## **16.4 INCENTIVE TRANSFERS**

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for three years;
- B. For a minimum of one year, at least one adult family member is enrolled in an

economic self-sufficiency program or is working at least **thirty-five (35)** hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;

- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year whichever is less;
- D. The family is current in the payment of all charges owed to the Flint Area Consolidated Housing Authority and has not paid late rent for at least one year;
- E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
- F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff;
- G. Participates in a series of classes conducted by the Flint Area Consolidated Housing Authority on basic home and yard care.

#### **16.5 PROCESSING TRANSFERS**

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Flint Area Consolidated Housing Authority and the family rejects two offers without good cause, the Flint Area Consolidated Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Flint Area Consolidated Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

#### **16.6 COST OF THE FAMILY'S MOVE**

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e., by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller; or
- C. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Flint Area Consolidated Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out modernization, disposition or demolition activities; or
- B. When action or inaction by the Flint Area Consolidated Housing Authority has caused the unit to be unsafe or inhabitable; or

- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

### **16.7 TENANTS IN GOOD STANDING**

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Flint Area Consolidated Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

### **16.8 TRANSFER REQUESTS**

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Flint Area Consolidated Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Flint Area Consolidated Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Flint Area Consolidated Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

### **16.9 RIGHT OF THE FLINT AREA CONSOLIDATED HOUSING AUTHORITY IN TRANSFER POLICY**

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

## **17.0 INSPECTIONS**

An authorized representative of the Flint Area Consolidated Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A

written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Flint Area Consolidated Housing Authority file and a copy given to the family member. An authorized Flint Area Consolidated Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Flint Area Consolidated Housing Authority damages to the unit.

**17.1 MOVE-IN INSPECTIONS**

The Flint Area Consolidated Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

**17.2 ANNUAL INSPECTIONS**

The Flint Area Consolidated Housing Authority will inspect each public housing unit annually to ensure that each unit meets the Flint Area Consolidated Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

**17.3 PREVENTATIVE MAINTENANCE INSPECTIONS**

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

**17.4 SPECIAL INSPECTIONS**

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Flint Area Consolidated Housing Authority.

**17.5 HOUSEKEEPING INSPECTIONS**

Generally, at the time of annual reexamination, or at other times as necessary, the Flint Area Consolidated Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

**17.6 NOTICE OF INSPECTION**

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the Flint Area Consolidated Housing Authority will give the tenant at least two (2) calendar days written notice.

### ***17.7 EMERGENCY INSPECTIONS***

If any employee and/or agent of the Flint Area Consolidated Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

### ***17.8 PRE-MOVE-OUT INSPECTIONS***

When a tenant gives notice that they intend to move, the Flint Area Consolidated Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the Flint Area Consolidated Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Flint Area Consolidated Housing Authority to ready units more quickly for the future occupants.

### ***17.9 MOVE-OUT INSPECTIONS***

The Flint Area Consolidated Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

## **18.0 PET POLICY**

### ***18.1 EXCLUSIONS***

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

### ***18.2 APPROVAL***

Residents must have the prior approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request.

### **18.3 TYPES AND NUMBER OF PETS**

The Flint Area Consolidated Housing Authority will allow only domesticated dogs, cats, birds, and fish in aquariums in units. All dogs and cats must be neutered.

Only one (1) pet per unit allowed.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed thirty (30) pounds in weight.

### **18.4 INOCULATIONS**

In order to be registered, pets must be appropriately inoculated against rabies and other conditions prescribed by local ordinances.

### **18.5 PET DEPOSIT**

A pet deposit of \$150.00 is required at the time of registering a pet. The deposit is refundable when the pet or the family vacate the unit, less any amounts owed due to damage beyond normal wear and tear.

### **18.6 FINANCIAL OBLIGATION OF RESIDENTS**

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Flint Area Consolidated Housing Authority reserves the right to exterminate and charge the resident.

### **18.7 NUISANCE OR THREAT TO HEALTH OR SAFETY**

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Flint Area Consolidated Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance will result in the owner having to remove the pet or move him/herself.

## **18.8 DESIGNATION OF PET AREAS**

Pets must be kept in the owner's apartment or on a leash at all times when outside (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the projects. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

## **18.9 VISITING PETS**

Visiting pets are not permitted.

## **18.10 REMOVAL OF PETS**

The Flint Area Consolidated Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

## **19.0 REPAYMENT AGREEMENTS**

When a resident owes the Flint Area Consolidated Housing Authority back charges and is unable to pay the balance by the due date, the resident may request that the Flint Area Consolidated Housing Authority allow them to enter into a Repayment Agreement. The Flint Area Consolidated Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the resident to eviction procedures.

**The Housing Authority allows for repayment agreements for those tenants whose rental amount is the minimum rent and who have had their rent abated for a temporary period.**

## **20.0 TERMINATION**

### **20.1 TERMINATION BY TENANT**

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) calendar days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first. **If a tenant vacates without giving notice tenant will be charged 15 days rent from the date the unit is found vacated.**

## **20.2 TERMINATION BY THE HOUSING AUTHORITY**

Twelve months after the Flint Area Consolidated Housing Authority has implemented the mandated Community Service Requirement, it will not renew the lease of any non-exempt family that is not in compliance with the Community Service Requirement or approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The Flint Area Consolidated Housing Authority will terminate the lease for serious or repeated violations of material lease terms. Such violations include, but are not limited to, the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;
- D. Failure to allow inspection of the unit;
- E. Failure to maintain the unit in a safe and sanitary manner;
- F. Assignment or subletting of the premises;
- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any violent or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control. This includes but is not limited to the manufacture of methamphetamine on the premises of the Flint Area Consolidated Housing Authority or on the premises of any other federally assisted housing;
- K. Non-compliance with Non-Citizen Rule requirements;

- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) calendar days each year without the prior written approval of the Housing Authority;
- M. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the Authority by the resident, household members, or guests of the resident or threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy;
- N. Alcohol abuse that the Flint Area Consolidated Housing Authority determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- O. Failure to perform required community service or be exempted therefrom;
- P. The Flint Area Consolidated Housing Authority will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program;
- Q. Determination that a household member is illegally using a drug or when the Flint Area Consolidated Housing Authority determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- R. Criminal activity as shown by a criminal record. In such cases the Flint Area Consolidated Housing Authority will notify the household of the proposed action to be based on the information and will provide the subject of the record and the tenant with a copy of the criminal record before the Flint Area Consolidated Housing Authority grievance hearing or court trial concerning the termination of tenancy or eviction. The tenant will be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial; and
- S. Other good cause.

If an individual or family's lease is terminated for criminal activity, the Flint Area Consolidated Housing Authority will notify the local post office serving the development that the individual or family no longer lives there.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Flint Area Consolidated Housing Authority will consider circumstances relevant to the particular case such as the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, the effects that the eviction would have on family members not involved in the offending activity,

and the extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Flint Area Consolidated Housing Authority will require a leaseholder to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for an action or failure to act that warrants the termination.

In deciding to terminate a tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Flint Area Consolidated Housing Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program; or
3. Has otherwise been successfully rehabilitated.

For this purpose, Flint Area Consolidated Housing Authority may require the leaseholder to submit evidence of one of the above 3 statements.

## **20.2A VAWA PROTECTIONS**

Under the Violence Against Women Act (VAWA), public housing residents have the following specific protections, which will be observed by the Flint Area Consolidated Housing Authority:

An incident or incidents or actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

The Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants.

The Housing Authority may honor court orders regarding the rights of access or control of the property, including EPO's, DVO's, and other orders issued to protect the victim

and is used to address the distribution or possession of property among household members where the family “breaks up.”

There is no limitation on the ability of the Housing Authority to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims.

There is no prohibition on the Housing Authority evicting if it “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s (victim’s) tenancy is not terminated.”

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

The Flint Area Consolidated Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority. Types of acceptable verifications are outlined below, and must be submitted within 10 business days after receipt of the Housing Authority’s request for verification.

## ***20.2B VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING***

The Flint Area Consolidated Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

- A. *Requirement for Verification.*** The law allows, but does not require, the Flint Area Consolidated Housing Authority to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. The Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

- 1. *HUD-approved form (HUD-50066)*** - By providing to the Housing Authority a written certification, on the form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that

the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.

2. ***Other documentation*** - by providing to the Housing Authority documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
3. ***Police or court record*** – by providing to the Housing Authority a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.

- B. *Time allowed to provide verification/ failure to provide.*** An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by the Housing Authority to provide verification, must provide such verification within 10 business days after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

### **20.3 TERMINATIONS FOR CRIMINAL ACTIVITY**

- A. The term “due process determination” means a determination by HUD that law covering the Flint Area Consolidated Housing Authority’s jurisdiction requires that residents must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit.
- B. HUD has issued a due process determination that the law of this State requires that residents be given the opportunity for a hearing in a court that provides the basic elements of due process before eviction from a dwelling unit. The Flint Area Consolidated Housing Authority has therefore determined that this Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:

1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the Flint Area Consolidated Housing Authority's public housing premises by other residents or employees of the Housing Authority;
2. Any violent or drug-related criminal activity on or off such premises; or
3. Any activity resulting in a felony conviction.

#### **20.4 ABANDONMENT**

The Flint Area Consolidated Housing Authority will consider a unit to be abandoned when a resident has both fallen behind in rent **AND** has clearly indicated by words or actions an intention not to continue living in the unit.

When a unit has been abandoned, a notice will be mailed to the resident giving the resident three days to remove abandoned property. If the Flint Area Consolidated Housing Authority does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office. If the resident does not respond to the notice within three days from the date of the notice, a writ of possession will be filed to the Magistrate Court of Macon or Taylor County, which will give the Flint Area Consolidated Housing Authority the authority to set out/dispose of all abandoned belongings.

The security deposit and any statement that accompanies it shall be sent to the last known address of the tenant. If it is returned as undeliverable and the Authority is unable to locate the tenant after a reasonable effort, the security deposit becomes the property of the Authority ninety days after it was mailed.

#### **20.5 RETURN OF SECURITY DEPOSIT**

After a family moves out, the Flint Area Consolidated Housing Authority will return the security deposit within thirty days or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

The Flint Area Consolidated Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within thirty days.

## **21.0 GRIEVANCE PROCEDURE**

### **21.1 RIGHT TO A HEARING**

Upon filing of a written request as provided herein, a complainant shall be entitled to a hearing before the Hearing Panel and/or Hearing Officer.

### **21.2 DEFINITIONS**

- a. **Complaint** is defined as any resident who believes his rights, duties, welfare or status are or may be adversely affected by local Housing Authority action or failure to act and who files a grievance or complaint with the housing authority with respect to such action or failure to act.
- b. **Grievance or Complaint** is defined as any dispute with respect to Housing Authority action or failure to act in accordance with lease requirements, or any Housing Authority action or failure to act involving interpretation or application of the Housing Authority's regulations, policies or procedures which affects the rights, duties, welfare or status of complainant.
- c. **Residents** shall mean any lessee or the remaining head of the house hold of any resident's family residing in housing accommodations operated by this Authority.

### **21.3 PROCEDURES PRIOR TO A HEARING**

- a. Any grievance or complaint must be personally presented, either orally or in writing, the Housing Authority office or the Management Office of the project in which the complainant resides so that the grievance may be informally discussed and settled without a hearing. The grievance or complaint, if written, must be signed by the complainant and filed in the office by him or his representative within in reasonable time, not in excess of 30 days of the Housing Authority action or failure to act which is the basis for the grievance. It may be simply stated, but shall specify: (1) the particular grounds upon which it is based; and (2) the action requested. A copy of the complaint shall be retained by the complainant and a copy should be filed with the project manager. All complaints and/or copies must be dated at the time of receipt by the Housing Authority.
- b. If the complainant shall show good cause why he failed to proceed in accordance with Paragraph (a) above to the hearing panel and/or hearing officer, the provisions of Paragraph (a) may be waived by the hearing panel and/or hearing officer.

c. A summary of discussions shall be prepared in writing and shall be delivered or mailed to the complainant within a reasonable time (generally within five working days). A copy of the summary shall be filed with the complaint in the appropriate project office.

The summary shall specify:

1. Names of participants and dates of meetings.
2. The nature of the proposed disposition of the complaint and the specific reasons therefore.
3. The right of the complainant to a hearing and the procedure by which a hearing may be obtained if the complainant is not satisfied.

d. If the complainant is dissatisfied with the proposed disposition of this complaint, as stated in the project manager's or other Housing Authority official's summary of discussions, he may submit a written request, to the Housing Authority or project management office, for a hearing. This written request shall be made within a reasonable time of the date of the Summary of Discussion of his complaint (generally ten working days), and shall specify:

1. The reasons for the grievance; and
2. The action or relief sought.

The written request for a hearing must be dated when received and filed in the appropriate Housing Authority or project management office along with the complaint and the summary of discussions for the informal hearing. The hearing panel and/or hearing officer shall be advised promptly of the request by the appropriate Housing Authority official; shall schedule the hearing as promptly as possible for a date, time and place reasonably convenient to the complainant; and shall inform the complainant and Housing Authority thereof in writing.

e. If the complainant does not request a hearing within the time period allowed in Paragraph (d) above, he waives his right to the hearing, and the Housing Authority's proposed disposition of the grievance will become final. This shall not, however, constitute a waiver of the complainant's right thereafter to contest the Housing Authority's disposition of his grievance in an appropriate judicial proceeding.

#### **21.4 SELECTION OF HEARING PANEL OR HEARING OFFICER**

A hearing panel or hearing officer shall be selected as follows: (1) The hearing officer shall be an impartial, disinterested person selected jointly by the Housing Authority and the complainant. If the Housing Authority and the complainant cannot agree on a hearing officer, they shall each appoint a member of a hearing panel and the member so appointed shall select a third member. If the members appointed by the Housing

Authority and the complainant cannot agree on a third member, such member shall be appointed by a independent arbitration organization such as the Center for Disputes Settlement of the American Arbitration Association, or by any other third party agreed upon by the Housing Authority and the complainant. (2) In lieu of this procedure the Housing Authority may provide for the appointment of hearing panels or hearing officer any method which is approved by the majority of residents voting in an election or meeting of residents voting in an election or meeting of residents held for this purpose.

## **21.5 THE HEARING**

a. The parties shall be entitled to a fair hearing before the hearing officer of hearing panel may be represented by counsel or another person chosen as a representative.

b. The hearing shall be private unless complainant requests a public hearing. This shall be construed to limit the attendance of persons with valid interest in the proceedings.

c. Complainant may examine before the hearing and, at his expense, copy all documents, records and regulations of the Housing Authority that are relevant to the hearing. Any document not made available, after request therefor by the complainant, may not be relied on by the Housing Authority or the project management at the hearing. The complainant or Housing Authority may arrange in advance and at the expense of the party making arrangement, for a transcript of the hearing. Any interested party may purchase a copy of such transcripts.

d. If the dispute is over the amount of rent or other charges which the housing authority claims is due, the complainant shall deposit an amount equal to the amount of the rent due and payable as the first of the month preceding the month in which the act or failure to act took place, in an escrow account pending settlement of the dispute by the Hearing Panel. The complainant shall thereafter deposit the same amount of monthly rent in an escrow account monthly until the complaint is resolved. If the complainant fails to do so, the Panel may determine that the complainant has waived his right to the hearing. Such determination shall not constitute a waiver of complainant's right to thereafter contest the local housing authority's disposition of his grievance in an appropriate judicial proceeding. The escrow payment requirement may be waived by the Authority, at its discretion, in extenuation circumstances.

e. If a complainant fails to appear at a hearing, the panel may postpone the hearing for five( 5) working days, or may make a determination that the complainant has waived his right to the hearing. Complainant and Housing Authority must be notified in writing of the decision of the panel. Such a determination shall not constitute a waiver of complainant's right to thereafter

contest the Housing Authority's disposition of his grievance in an appropriate judicial proceeding.

f. At the hearing the complainant must first make a showing of an entitlement to the relief sought and thereafter the housing authority must sustain the burden of justifying the action or failure to act against which the complaint is directed. The complainant may present evidence and arguments in support of his complaint, controvert evidence relied on by the Housing Authority or project management, and confront and cross-examine all witnesses on whose testimony or information the Housing Authority or project management relies. Hearings conducted by the hearing panel shall be informal, and any oral or documentary evidence, pertinent to the facts and issues raised by the complaint, may be received by the hearing panel without regard to whether the evidence would be admissible under the rules of evidence applicable to judicial proceedings.

## ***21.6 DECISION OF THE HEARING OFFICER OR HEARING PANEL***

a. The hearing officer or hearing panel shall prepare a written decision, together with the reasons therefor, within a reasonable time after the hearing. A copy of the decision shall be sent to the complainant and the Housing Authority. The Housing Authority shall retain a copy of the decision in the resident's folder. A copy of such decision, with all names and identifying references deleted, shall also be maintained on file by the Housing Authority and made available for inspection by a prospective complainant, his representative, or the hearing panel or hearing officer.

b. The decision of the hearing officer or hearing panel shall be binding on the Housing Authority which shall take all actions, or refrain from any actions, necessary to carry out the decision unless the Housing Authority Board of Commissioners determines within a reasonable time, and promptly notices the complainant of its determination, that (1) the grievance does not concern Housing Authority action or failure to act in accordance with or involving the complaint's lease or Housing Authority regulations, which adversely affect the complainant's rights, duties, welfare or status; (2) the decision of the hearing officer or hearing panel is contrary to applicable Federal, State or local law, HUD regulations or requirements of the annual contributions contract between HUD and the Housing Authority; (3) a decision by the hearing officer, hearing panel, or Board of Commissioners in favor of the Housing Authority or which denies the relief requested by the complainant in whole or in part shall not constitute a waiver of, nor affect in any manner whatever, any rights the complainant may have to a trial

de novo or judicial review proceedings, which may thereafter be brought in the matter.

c. The hearing officer or hearing panel may render a decision without proceeding with the hearing if the hearing officer or hearing panel determines that the issue has been previously decided in another proceeding.

## **21.7 APPEALS FROM THE HEARING PANEL DECISION**

A decision by the hearing panel, which is in favor of the Housing Authority or project management and/or denies the complainants his requested relief in whole or in part, shall not constitute a waiver of, nor affect in any manner, whatever rights the complainant may have to a trial de novo or judicial review in any judicial proceedings which may thereafter be brought in the matter.

## **21.8 NOTICE TO VACATE PREMISES**

a. The tenant must be informed in writing of:

- (1) The specific reasons for the proposed eviction; and
- (2) His right to request a hearing upon the proposed eviction within five (5) working days from the date of the notice to vacate is issued.

b. If the tenant has requested a hearing on the proposed eviction and the Hearing Panel by its decision upholds the Housing Authority or project management's proposal to evict, an action to regain possession may not be commenced until after the resident's right to use and/or occupy the premises has been terminated by lawful notice. Such notice to vacate may not be given prior to the date on which the Hearing Panel's decision upholding the proposed eviction is delivered or mailed to the resident.

c. When such notice to vacate is given to the resident, he must be informed in writing that:

- (1) If he fails to quit the premises within three (3) days, appropriate legal action (dependent on state law) will be brought against him;
- (2) If suit is brought against him, he may be required to pay Court Costs and Attorney fees incurred;
- (3) If he chooses to contest the legal action, the Housing Authority or project management must prove that the reasons upon which it originally relied constituted good sense for eviction under the applicable law, rules and regulations.

## **21.9 CONDUCT DURING HEARING**

The Hearing Panel and/or Hearing Officer shall require the Housing Authority, the Complainant, Counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directors of the Hearing Panel and/or Hearing Officer to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.

## **22.0 SUPPORT FOR OUR ARMED FORCES**

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Flint Area Consolidated Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Flint Area Consolidated Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Flint Area Consolidated Housing Authority will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

## **23.0 ANTI-FRAUD POLICY**

The Flint Area Consolidated Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Flint Area Consolidated Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Flint Area Consolidated Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Flint Area Consolidated Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Flint Area Consolidated Housing Authority deems appropriate.
