All units will undergo a housekeeping inspection at this time as well. Please keep in mind that 3 failed housekeeping inspections could result in lease termination.

Your lease states:

- Resident agrees to comply with all obligations imposed upon Residents by applicable provisions of building and housing codes materially affecting health and safety.
- Resident accepts responsibility for the control of pests, vermin and objectionable odors stemming from unsanitary housekeeping practices. Resident also agrees to keep the leased premises and all other areas assigned to resident for his exclusive use free from litter and debris and in a clean and safe condition at all times. Resident also agrees to cooperate with other residents in keeping their common areas free of debris and in a clean and safe condition at all times.
