BACK TO SCHOOL TIPS

Tips to help make the transition back to school a success:

1. Start putting your child to bed earlier and waking them up just like you would if they were actually in school! That way when school time comes, they will already be ready!
2. Create a calendar of deadlines and important school dates. The calendar should be filled out on the 15th of the month for everything that will be due the next month. This allows parents and students to know together when deadlines are coming up.
3. Do as much as you can the night before. Each evening pick out the clothes for the next day and make sure that they are weather appropriate. Pack your child’s backpack with anything they might need for the next day.
4. After school starts ask your child what the teacher’s rules are and adopt those at home.
5. Meet the teacher!!! Stay involved in your child’s learning.

REMINDER!

For those Residents that have been paying their rent by the 10th of each month since April, keep up the good work. You are in the running for one of our \$100.00 gift cards to be given away in December. Only 5 months to go! **GOOD LUCK!**

To report an emergency after hours, please call the Maintenance On-Call cell phone at 1-800-791-9344
